

The Phraseanet WebGalleries allow the users to publish and share their Phraseanet media content.

The display of a WebGallery can be done through a permalink or an iframe calling one of the predefined page templates (list).

WEBGALLERIES PLUGIN

## GENERATION OF HTML PAGES (MINI WEB SITES) TO PUBLISH DOCUMENTS

22 mai 2015

PHASELLUS  
ULTRICES, QUAM  
EU MOLLIS  
VARIUS

Curabitur tristique nulla nunc, non convallis ante mollis sed. Etiam lectus tortor, tristique aliquam dolor a, mollis imperdiet augue. Etiam curvus mi sit amet lectus egetas, a tristique mollis ultricies. Integer sit amet nisl nisi. Nam aliquet nulla vel fermentum consequat. Mauris cursus fringilla condimentum. Interdum et malesuada fames ac ante ipsum primis in faucibus. Suspendisse tempor enim sit amet magna dictum sagittis. Phasellus egetas consequat lectus ut efficitur.

WebGallery : interface example
